1 Year Limited Warranty*

Genuine BRP Parts and Accessories installed by you or your authorized BRP dealer

BRP Riding Gear

Aftermarket products sold by BRP

Get all the details from your Sea-Doo dealer.

*Purchased at an authorized BRP dealership/distributor or on a BRP-authorized online store. Unless otherwise stipulated or required by law. Other exclusions may apply. See complete limited warranty or contact your authorized Sea-Doo dealer. This limited warranty does not apply to factory installed accessories. This limited warranty does not apply to Evinrude parts and accessories.

Riding gear safety rules and recommendations

You and your passengers are required to wear an approved life jacket certified for use with a personal watercraft.

Wearing a neoprene wetsuit or bottom will provide adequate protection to the lower part of the body, unlike normal swimwear. You can suffer severe internal injuries if water is forced into a lower body cavity as a result of falling in the water or being near the jet thrust nozzle.

Finally, extra protective equipment such as footwear, gloves and goggles is also recommended.

You can find all of these items at an authorized Sea-Doo dealer or online at store.sea-doo.com.

Products in this catalog will be available for purchase at your authorized Sea-Doo dealer and online at store.sea-doo.com starting January 2019. For advertising purposes, some scenes depicted in this catalog include professional riders and operators executing maneuvers under ideal and/or controlled conditions. Do not attempt any of these or any other risky maneuvers if they're beyond your level of riding ability, as well as your understanding and respect for the performance of your Sea-Doo watercraft. RIDE SMART FROM THE START. Always ride responsibly and safely. Follow all instructional and safety materials. BRP recommends a minimum operator age of 16 years old for riding a watercraft. Always wear appropriate protective clothing for your type of boating use, including a Coast Guard approved life jacket. Always remember that riding and alcohol/drugs don't mix. Operate your watercraft keeping a safe distance between yourself and others. Always observe applicable local laws and regulations. Because of its ongoing commitment to product quality and innovation, Bombardier Recreational Products Inc. (BRP) reserves the right, at any time, to discontinue or change specifications, prices, designs, features, models or equipment without incurring any obligations. Some models depicted herein may include optional equipment. Prices are based on Manufacturer Suggested Retail Prices. Dealers may sell for a different price. For Canada and US, taxes are not included. Depending on location, products are distributed by BRP US Inc., Bombardier Recreational Products Inc., BRP European Distribution SA, BRP Australia Pty Ltd., BRP Finland Oy., BRP Japan Ltd., BRP Comm & Trade (Shanghai) Co Ltd. or Bombardier Recreational Products Motores da Amazonia Ltda. ® are registered trademarks and TM and the BRP logo are trademarks of Bombardier Recreational Products Inc. or its affiliates. * is a trademark of Bombardier Inc. used under license. LinQ Accessories

Fast. Easy. Secure.

The LinQ accessories now fit all platforms

Nothing outdoes our exclusive quick-attach, tool-less rear-cargo LinQ System. It redefines what your watercraft can carry, and how it carries them. You get to pack more, play more, and ride farther, all while keeping food and drink cold and fresh.

LinQ SYSTEM™

New LinQ 13.5 US Gal (51 L) Cooler

- LinQ mounted weather-resistant, high-volume cooler.
- Includes many fishing related features, including the heavy-duty storage pocket, lid with recessed work surface, quick-attach rod holder system, trolling slots and easy latch lid.
- Also features drain plug and handles for transportation.
- Rotomolded construction for exceptional rigidity and durability, and premium-quality foam insulation for optimal ice retention.
- LinQ Locking Anchor Bases (295100858) are required for installation on 2018 models and on some 2019 models. See your dealer for more information.
- If your watercraft is not equipped with a ladder, adding one for easy reboarding is recommended.

Note: Rod Holder (295100795) can simply be added in the slotted bars of the cooler.

RXT, RXT-X, GTX, GTX Ltd, WAKE PRO (2018 and up) and FISH PRO

269800817

3 416 zł

LinQ 4.2 US Gal (16 L) Cooler

- LinQ mounted weather-resistant cooler.
- Rotomolded construction for exceptional rigidity and durability.
- Premium-quality foam insulation for optimal ice retention.
- Already marinized for saltwalter purposes.

Note: Cannot be mounted on the LinQ Fuel Caddy.

A new perspective on fishing

Our latest fishing accessories were created with the revolutionary next-generation Sea-Doo in mind, making it easy to transform it into the perfect fishing watercraft.

Keep your ice and catch cold all day

Fishing Accessories

1. LinQ 13.5 US Gal (51 L) Cooler ~ P.4
2. Quick-Attach Rod Holder ~ P.4
3. LinQ Box ~ P.5
4. Garmin ECHOMAP† Plus 62cv Fish Finder ~ P.23
5. Angled Gunwale Footrest ~ P.12

Cennik zawiera sugerowane ceny detaliczne brutto w walucie PLN. Ceny mogą ulec zmianie bez wcześniejszego uprzedzenia. Cennik nie jest ofertą w rozumieniu prawa.

Garmin ECHOMAP Plus 62cv Fish Finder

Top-of-the-line navigation

Activate track
Course-corrects drift while fishing and guides return trip when the day is done.

Create waypoints
Plot and record great fishing spots and easily navigate to them.

Update maps
ActiveCaptain† App keeps things current with regular updates.

LinQ 13.5 US Gal (51 L) Cooler

1. **Recessed Work Surface ~** Provides an ideal location to open your tackle boxes and attend to your rod.
2. **Rod Holder ~** Rods can be securely attached by sliding the reel arm into the rubber cap located at the top of the rod holder.
3. **Drain Plug ~** At the end of the day, use one of two drain plugs for easy draining and to lighten the weight at the rear.
4. **LinQ Attach System ~** Two convenient latches at the rear of the cooler.
5. **Fish Ruler ~** Molded into the cooler lid, you can quickly validate the size of your fish.
6. **Quick Latch ~** Easy to open with one hand, yet is rugged and designed with a double-latching lock.
7. **Heavy-Duty Storage Pocket ~** Use to store tackle boxes and soft baits.
8. **Angled Trolling Slots ~** Set your rod at the perfect angle to troll two lines at the same time (if local regulations allow).
9. **Rod Holder Slotted Bars ~** Can be easily moved to different locations around the cooler.

Fun factor

Sea-Doo SPARK makes it easy to stand up, show off, and turn heads. Get creative, be original and get the accessories that make your tricks shine, every time.

QUADY SREM
RATING TEAM

Handlebar with Adjustable Riser

- The one-of-a-kind handlebar with adjustable riser gives you more leverage to easily maneuver the Sea-Doo SPARK and customize your experience to your personal riding style.
- Quickly adjust steering to a variety of heights - use the lower position for cruising/sit-down riding, or extend to maximum height in seconds for stand-up riding.
- Adjustable length of 1.6" to 4" (42.5 mm to 103.5 mm).
- Just flip the lever to make the adjustment, no tool required.

Sea-Doo SPARK

295100746

1 313 zł

Part numbers you will also need for installation:

Sea-Doo SPARK without iBR*	Sea-Doo SPARK with iBR

Extended Range Variable Trim System (VTS)

(Not illustrated)

- This Sea-Doo exclusive accessory lets you exaggerate how high you can raise the nose or how deep you can bury it in the water.
- The extended range VTS doubles the range of adjustment compared to our current standard VTS.
- Adjustments are instantaneous thanks to the quick activation switch mounted on the handlebar to allow fine tuning of the watercraft trim angle while riding.
- Simple plug-in connection, and includes switch, cap and hardware necessary for installation.
- Standard on Sea-Doo SPARK TRIXX.

Sea-Doo SPARK with iBR (2017 and up - full extended range), (2016 and prior - stock range)

295100704

1 052 zł

Wiring Harness

(Not illustrated)

- Required in order to install the Handlebar with Adjustable Riser (295100746) and/or RF D.E.S.S Key (295100712).
- Works for either accessory or when using both at the same time, so no need to buy a second harness.

Extended Range Variable Trim System (VTS)

(Not illustrated)

- This Sea-Doo exclusive accessory lets you exaggerate how high you can raise the nose or how deep you can bury it in the water.
- The extended range VTS doubles the range of adjustment compared to our current standard VTS.
- Adjustments are instantaneous thanks to the quick activation switch mounted on the handlebar to allow fine tuning of the watercraft trim angle while riding.
- Simple plug-in connection, and includes switch, cap and hardware necessary for installation.
- Standard on SPARK TRIXX.

Sea-Doo SPARK with iBR (2017 and up - full extended range), (2016 and prior - stock range)

295100704

1 052 zł

Provides preset positions for quick settings when adjusting the watercraft trim. When you trim up, you'll have a drier ride, which helps when towing. When you trim down, you can ride more aggressively while staying glued to the water.

CGX3 Camera

- 160° wide angle lens.
- Resolution options: from 3MP up to 20MP and VGA.
- Video resolutions available: 2.7K at 30 frames per second (FPS), 720P at 120/60/30 FPS, 1080P at 60/30 FPS and VGA at 240 FPS.
- Features modes such as invert, time lapse, high speed and loop recording, motion detection, capture (while recording a video), burst and anti-sharing.
- Records videos in 4K UHD at 24 FPS, 2.7K QHD at 30 FPS and 720P at 120 FPS.
- Memory: Class 10 32GB Micro SD card.
- 2" (5 cm) capacitive touchscreen.
- Li-ion battery capacity of 1050mAh, working time of 1/1.5 hours and charging time of 3 hours (2 batteries included).
- WiFi function remotely operates up to 49' (15 m) with mobile devices and MioCam app for Android and iOS.
- Waterproof up to 33' (10 m) without a case.
- Comes with 8 mounting accessories.

Choose the cover perfectly suited to your watercraft

A storage cover protects your Sea-Doo watercraft from the elements and helps preserve its finish.

QUAD ŚREM KT RACING TEAM

Key Features

- Weather-resistant trailering cover protects your watercraft during storage and transportation.
- Made of heavy-duty UV-resistant solution-dyed polyester canvas.
- Soft inner lining prevents panel abrasion.
- Areas prone to higher wear are reinforced with a layer of double canvas.
- A perfect fit for your watercraft, with or without installed Sea-Doo accessories.
- Standard on GTX LTD models.

1. Yellow fabric indicates handle insertion points.
2. Zippered openings allow easy access to mooring cleats.
3. Zippered opening permits easy access to the glove box, front storage and for refueling.
4. Zippered opening accommodates LinQ accessories on the rear deck with the cover in place.
5. Patented air release vent system for trailering.
6. Side hooks secure the cover while trailering.
7. Zippered opening allows the use of tie-downs for securing covered watercraft on the trailer.

On the move

MOVE Trailers are designed to fit all Sea-Doo watercraft and make loading and unloading a snap.

Key Features

- Fully adjustable carpeted bunks (side-to-side/ front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.
- All models are available in galvanized frame for extended life in all weather conditions or in a painted black version with or without marine jack.
- MOVE I Extended 1250 and MOVE II are available in an aluminum frame.

Single Trailers

Aluminum MOVE I Extended 1250

- Aluminum alloy construction delivers better corrosion resistance to significantly extend life of trailer.
- Axle mounted fenders make axle adjustments much simpler and faster.
- Waterproof LED lights more durable, energy-efficient and brighter than incandescent lighting.

With torsion suspension
Available with or without marine jack

Bolt-On† Retractable Ratcheting Tie-Downs

- Perfect for transporting your watercraft or securing loads.
- Mounts easily: bolts on any flat surface (e.g. truck bed or frame).
- 1" x 6' (2.5 cm x 1.83 m) tie-down strap with heavy-duty stitching that delivers a 500 lb (226 kg) working load strength and 1,500 lb (680 kg) break strength.
- Convenient retractable push button automatically slackens, spools and stores away strap, while the ratchet mechanism tightens the strap snugly to secure your vehicle or load into place.
- Rubber ratcheting handle provides firm grip, and the hook is vinyl coated to protect whatever surface it hooks into.
- Sold in pairs.

Find your perfect life jacket

Choose from three categories of life jackets to suit your needs.

ECOPRENE, for the ultimate in lightness and functionalities.

NEOPRENE, for comfort and active riding style.

NYLON, for all-purpose versatility, and great value.

Ecoprene

The Ultimate

Blends the functional attributes of nylon and performance features of neoprene. PVC-free and sustainable. Feels light even when wet and maximizes air flow, because the more comfortable you are, the better and longer you will ride.

Airflow

Men's • 285872 Ladies' • 285875	643 zł 643 zł
Black (90)	
S, M, L, XL, 2XL, 3XL	

All the features of neoprene, plus:

- Dries as quick as nylon
- Low water absorption
- Added ventilation
- 30% lighter than neoprene when wet

Neoprene

The Athletic

Matches your active riding style, can handle rugged daily — and all-day — use, and adds warmth when needed. Snug-fitting to intuitively shadow your body's movements, and roomy where it counts not to hinder your mobility, your life jacket will allow you to express yourself on the water.

Nylon

The All-Purpose

The all-purpose life jacket that combines great value with high quality components that won't compromise look, safety, comfort and functionality. Easy-fitting so it can be shared by a wide range of people, and versatile so it can be used for a variety of watersports. Your life jacket needs to dry fast so it can be worn multiple times during the course of the day, making it perfect for the whole family.

Size up for the perfect ride

How to measure

For best results, have someone else take measurements. Measure body in swimsuit or undergarments. Tape must be snug but not tight. If measurements fall between two sizes, order the larger size.

Height ~ Stand with back straight, without shoes; measure from the top of the head to the floor.

Chest ~ Measure under your arms, around the fullest part of your chest.

Waist ~ Measure around your natural waistline, keeping one finger between the tape and body.

Hips ~ Stand with legs together, measure around the fullest part of your hips, ensuring the tape is level.

Arm length ~ Let your arms hang down on the side in a slightly bent position. Measure from the center of the back of your neck, along the length of your arm, to the wrist.

Inseam ~ Without shoes, from crotch to the floor.

Genuine parts that set the standard

Remember why you chose a Sea-Doo watercraft.

Precisely engineered. Rigorously tested. Proven reliability. The ultimate experience continues with the genuine Sea-Doo parts.

Maintenance

Choose from products designed to make regular maintenance easy and keep your watercraft at its best.

Did you know...

~

We recommend doing an oil change every year at preseason or after every 100 hours of use, whichever comes first. This will help increase the longevity of your vehicle.

~

Over time, engine oil breaks down and wears out, making it less effective at lubricating critical engine components and absorbing friction heat.

~

Plus, our ultra-convenient oil change kits already include the right parts and the right amount of oil based on your vehicle's maintenance needs. Taking care of your Sea-Doo has never been easier.

~

Changing your oil as recommended is a practice you'll value for a long time.

Post-Riding

The last step before putting the cover on, post-ride maintenance will extend the life of your watercraft over the long run.

Salt-Away†

- Mixed with water, it washes away the salt and leaves a protective coating on the surface to prevent rust and corrosion.
- Can also be used for trailer wash and maintenance.

Refill

Lift Kit

· Accurately lifts and positions your watercraft with a lift kit of nylon webbing and vinyl-coated steel lift plates.
· Lifting capacity of 1,200 lb (544 kg).
· Allows lifting from both straight and angled positions.

295100758

Ask your certified BRP dealer for details.

Sacrificial Anodes

· Sacrificial anodes are specifically designed to protect parts of your personal watercraft that are underwater from galvanic corrosion.
· Like the name implies, they essentially "sacrifice" themselves by absorbing the electrochemical process of corrosion to prevent metal components like the impeller, jet pump nozzle or engine from being "eaten away" instead.
· Galvanic corrosion can cause major damage if not controlled.
· Inspect your sacrificial anode at least once a month. Replace it when it is 50% depleted.

Wear Rings

Wear Rings

- Simple, cost effective way to keep the pump system operating like new.
- Restore tight clearance to your impeller.
- Reduce cavitation and recover lost performance caused by a worn ring.

XPS LUBRICANTS

Rotax 1630 ACE engine

WHY XPS OIL IS THE PERFECT FIT FOR YOUR ROTAX ENGINE?

Whether you purchased it for short rides around your favorite beach or epic long distance adventures, your Sea-Doo is an investment – get the most out it. XPS lubricants are specifically formulated to provide the perfect combination of protection and durability for your Rotax-powered Sea-Doo.

XPS oil meets the demands of high-performance watercraft engines, including supercharged high-output engines. XPS oil is formulated specifically for the higher RPMs these engines experience.

UNMATCHED RELIABILITY

Be confident you will get the most out of every ride.

ULTIMATE PERFORMANCE

Engineered to match the advanced performance of Rotax engines.

MADE FOR THIS

Developed with Rotax engines to deliver the best performance and lubrication in all conditions.

XPS oil has undergone rigorous testing in the harshest marine scenarios to prove itself, and this year will be used by many Sea-Doo racers including P1AquaX Sportsman of the Year and Wounded Warrior **Anthony Radetic,** and Multi-National and World Champion **Erminio Iantosca**.

VISIT THE SEA-DOO.COM PARTS & MAINTENANCE SECTION TO SEE THE FULL LINE OF XPS LUBRICANTS.

Engine Oils

4T 5W-40 Synthetic Blend Oil

- Powersport formula with premium anti-wear and anti-corrosion additives.
- Wet clutch, turbo and supercharged compatible.

779133 · 1 quart (0.946 L)
779134 · 1 US gal. (3.785 L)

2T E-TEC Synthetic Oil

- For Rotax 2-stroke engine watercraft including Sea-Doo DI, RFI and high-performance carbureted engines.

779126 · 1 quart (0.946 L)
779127 · 1 US gal. (3.785 L)

2T Carburated Premium Mineral Oil

- Powersport formula with premium anti-wear and anti-corrosion additives.

779119 · 1 quart (0.946 L)
779120 · 1 US gal. (3.785 L)

2T X2-RS Racing Synthetic Oil

- Sophisticated racing oil with esters for ultimate engine protection.
- Specifically formulated for high-output 2-stroke racing engines.

779180 · 1 quart (0.946 L)
779181 · 1 US gal. (3.785 L)

Functional Fluids

Extended Life Pre-Mixed Coolant

- Antifreeze/coolant contains the correct dilution and the necessary additives to prevent corrosion and inhibit cavitation in BRP cooling systems.
- Long-life, 5-year formula specially formulated for BRP vehicles.
- Superior heat transfer.
- Ideal replacement for vehicles that normally use a 2-year antifreeze/coolant (green).
- 5 years (orange).

779150 · 1 quart (0.946 L)

Universal Pre-Mixed Coolant

- Antifreeze/coolant contains the correct dilution and the necessary additives to prevent corrosion and inhibit cavitation in powersport cooling systems.
- For vehicles that normally use a 2-year antifreeze/ coolant (green).

779149 · 1 quart (0.946 L)

Lubricants

Synthetic Grease

- Recommended for marine applications.
- This synthetic grease provides the best wear protection and water resistance available.

779162 · 14 oz. (400 g)

Synthetic Jet Pump Oil

- Uses a unique combination of synthetic base stocks and additives that allow higher loads, superior shear stability and reduced oxidation compared to other synthetics and conventional API GL-5 oils.
- Recommended for use in Sea-Doo jet pump requiring oil.

779221 · 6 fl. oz. (178 ml)

Triple-Guard† Marine Grease

- This tough grease stays in place and is unaffected by vibration, salt water or cold temperatures.
- Reformulated for high water resistance and improved adhesion to metal.
- Won't swell seals, packing or o-rings.
- Totally waterproof to prevent water wash-off.

296000329 · 8 oz. (227 g)

Note: Please contact your nearest dealer for suggested retail prices of oil based products.

Maintenance Products

Anti-Corrosive Lubricant

- Multipurpose lubricant that can also be used to prevent rust, corrosion and moisture intrusion.
- It contains extreme pressure additives that work as an all-around lubricant for just about anywhere lubrication is needed.

779168 · 2 oz. (340 g)

Anti-Corrosion Spray

- Heavy, waxy coating specifically designed to protect your engine from rust and corrosion.
- Highly effective against corrosion caused by salt water and salt spray.

219700304
11 oz. (312 g)

Storage Oil

- High-performance fogging oil designed to protect internal engine parts from rust and corrosion.
- It coats engine internals throughout the whole storage period and is burned away through combustion when engine is started.
- Protects engines during non-use or storage.
- Burns complete upon start-up.

779173 · 12 oz. (340 g)

Fuel Stabilizer

- Ethanol-compatible and will stabilize fuel in your tank to keep it from breaking down and causing hard starting, throttle hesitation and poor run quality.
- Ethanol attracts moisture, and this product contains powerful anti-corrosion additives to protect fuel system components.
- Prevents problems associated with E10 fuels.

779171 · 8 fl. oz. (236 ml)

Carbon Free Fuel Treatment

- Combination of a fuel treatment and a fuel system cleaner that can be used periodically to restore lost starting or throttle performance, as well as maintain fuel system integrity and keep internal engine parts clean.
- It treats fuel for storage and addresses the moisture problems inherent in today's Ethanol-blended fuels, keeping ferrous and soft metal parts clean and free of corrosion.
- Uses patented, state-of-the-art additives.
- Cleans valves, sticky rings and combustion chamber.

779169 · 12 fl. oz. (355 ml)

Fuel Treatment Carburator Cleaner

- It removes fuel system gum and varnish that may have accumulated during storage, stabilizes fuel against breakdown for 12 months or more, and adds corrosion protection from moisture for short- and long-term storage.
- It also helps restore throttle response and easy starting.
- It can be used periodically to maintain fuel system integrity, keep carburetor jets clean, and also combat moisture problems caused by Ethanol-blended fuels to keep ferrous and soft metal parts clean and free of corrosion.

779172 · 12 fl. oz. (355 ml)

XPS 4-Stroke Oil Change Kit

- Ultra-convenient "all-in-one" oil change kit saves time and money.
- Includes XPS Synthetic or Synthetic Blend Oil, oil filter, o-rings and washer.

779250 · Rotax 900 ACE engine

779251 · Rotax 1500 cc or more engine

Vehicle Care Products

Boat and Watercraft Cleaning and Detailing Kit

- Everything needed for care and cleaning, including the bucket.
- Includes: All Purpose Cleaner, Vinyl Cleaner, Water Based Spray Cleaner and Polish, 2 Microfiber Towels and a Deluxe Wash Sponge.

219702871

ALL THESE PRODUCTS ARE AVAILABLE INDIVIDUALLY

All Purpose Cleaner

219701709 · 32 oz. (0.946 L)

Vinyl Cleaner

219701710 · 32 oz. (0.946 L)

Spray Cleaner and Polish

- Removes dirt, grease, road grime and water marks easily and quickly.
- Non petroleum based formula will not harm plastic finishes.

219702844 · 12 oz. (340 g)

Boat and Watercraft Wash and Wax

219701711 · 32 oz. (0.946 L)

Microfiber Towels

- The latest in high-quality detailing towels.
- Made up of extremely fine fibers, their soft surfaces have been perfected for drying and polishing painted, gel coated and hard shiny surfaces.
- They are so absorbent they hold up to seven times their weight in water.
- Machine washable means they can be used over and over again.
- Pack of 2.
